Check one: Men's D _____ Women C/D _____

First round games are drawn from the hat. We try to cede the top teams in order to avoid sending top teams to lower brackets and make all of the brackets more competitive for all. Please rank your team for us:

____ Competitive- Capable of a top 2 finish in league play

____ Middle of the pack team

____ Just want a few games in. Bingo and Beer (and sweet corn at the Corn Feed) are all that matter . . .
